

TRAINING

Construction Supervision Fundamentals

A Practical Start for New Construction Supervisors

Dan delivers AGC of America's introductory supervision curriculum through AGC Edge for people moving into their first formal leadership responsibilities.

MULTI-SESSION PROGRAM

Live virtual instruction through AGC Edge

WHAT PARTICIPANTS WILL WORK THROUGH

- Understand the supervisor's role in project execution.
- Build stronger daily planning and communication habits.
- Practice leading former peers with clarity.
- Create a foundation for continued supervisory development.

BEST FOR

New supervisors, emerging foremen and experienced craft professionals preparing for leadership.

WHY DAN

Dan Beatty has worked in heavy civil construction since 1984, moving from field testing through estimating, project management and executive leadership. He brings construction credibility to every room and connects leadership behavior to project performance.

Bring this program to your audience or team

Share the date, format and people in the room. Dan will tell you quickly whether there is a useful fit.
