

TRAINING

Estimating and Cost Management

Build the Number and Manage the Work Against It

Construction-focused instruction that connects estimating decisions to the field leadership, cost awareness and conversations required to protect margin.

CUSTOM WORKSHOP OR TRAINING SERIES

In person or live virtual

WHAT PARTICIPANTS WILL WORK THROUGH

- Connect estimate assumptions to project execution.
- Identify cost risk before it becomes a surprise.
- Improve handoffs between estimating and operations.
- Use direct conversations to protect margin.

BEST FOR

Estimators, project managers, operations leaders and emerging construction executives.

WHY DAN

Dan Beatty has worked in heavy civil construction since 1984, moving from field testing through estimating, project management and executive leadership. He brings construction credibility to every room and connects leadership behavior to project performance.

Bring this program to your audience or team

Share the date, format and people in the room. Dan will tell you quickly whether there is a useful fit.
