

SPEAKING

Know Yourself to Lead Yourself

Self-Awareness as an Operating Skill

Leaders learn how they are heard, where blind spots form and what to adjust so the message they intend is the message their team receives.

60 MINUTES

Keynote, breakout or virtual session

WHAT PARTICIPANTS WILL WORK THROUGH

- Identify the leadership voice others hear first.
- Spot predictable blind spots under pressure.
- Adjust communication for different people and situations.
- Turn self-awareness into more useful jobsite behavior.

BEST FOR

Emerging leaders, project leaders, supervisors and intact leadership teams.

WHY DAN

Dan Beatty has worked in heavy civil construction since 1984, moving from field testing through estimating, project management and executive leadership. He brings construction credibility to every room and connects leadership behavior to project performance.
