Project Manager Development Program

Build the Skills That Protect Project Performance

Dan delivers AGC of America's national project manager curriculum through AGC Edge, connecting the material to the decisions construction leaders make every day.

MULTI-SESSION PROGRAM

Live virtual instruction through AGC Edge

WHAT PARTICIPANTS WILL WORK THROUGH

- Strengthen planning and project administration habits.
- Improve cost awareness and financial decision-making.
- Handle project communication with greater clarity.
- Apply national curriculum to real construction work.

BEST FOR

Project engineers, assistant project managers, project managers and professionals preparing for broader project responsibility.

WHY DAN

Dan Beatty has worked in heavy civil construction since 1984, moving from field testing through estimating, project management and executive leadership. He brings construction credibility to every room and connects leadership behavior to project performance.
