

TRAINING

Supervisory Training Program

Help Field Leaders Lead the Work and the People

Dan delivers AGC of America's national supervisory curriculum through AGC Edge with practical context for the field leaders responsible for daily execution.

MULTI-SESSION PROGRAM

Live virtual instruction through AGC Edge

WHAT PARTICIPANTS WILL WORK THROUGH

- Improve planning, communication and crew coordination.
- Strengthen the transition from craft expertise to supervision.
- Address safety, productivity and quality through leadership.
- Use a consistent framework across field leadership roles.

BEST FOR

Foremen, superintendents, field supervisors and professionals preparing to lead crews.

WHY DAN

Dan Beatty has worked in heavy civil construction since 1984, moving from field testing through estimating, project management and executive leadership. He brings construction credibility to every room and connects leadership behavior to project performance.

Bring this program to your audience or team

Share the date, format and people in the room. Dan will tell you quickly whether there is a useful fit.
