

SPEAKING

Three Layers of Trust

Understand the Person Behind the Role

A facilitated workshop that helps a group understand how people are wired, how that wiring sounds to others and what motivates them underneath.

HALF-DAY

Interactive workshop, in person or virtual

WHAT PARTICIPANTS WILL WORK THROUGH

- See how different people process work and risk.
- Understand how intent can be misheard by others.
- Recognize the motivations beneath visible behavior.
- Build a shared language for more direct conversations.

BEST FOR

Association audiences, leadership cohorts and intact contractor teams.

WHY DAN

Dan Beatty has worked in heavy civil construction since 1984, moving from field testing through estimating, project management and executive leadership. He brings construction credibility to every room and connects leadership behavior to project performance.

Bring this program to your audience or team

Share the date, format and people in the room. Dan will tell you quickly whether there is a useful fit.
