

Three Layers of Trust

Make Team Dynamics Easier to Name and Address

An applied team workshop that gives construction leaders a practical way to understand wiring, communication and motivation across the people doing the work.

HALF-DAY OR CUSTOM SERIES

In person or live virtual

WHAT PARTICIPANTS WILL WORK THROUGH

- Understand how colleagues process information and pressure.
- Reduce avoidable friction caused by communication differences.
- Recognize what drives different people to engage.
- Use a shared language in real project conversations.

BEST FOR

Intact project teams, operations groups and leadership cohorts.

WHY DAN

Dan Beatty has worked in heavy civil construction since 1984, moving from field testing through estimating, project management and executive leadership. He brings construction credibility to every room and connects leadership behavior to project performance.
